SMASA CLUB REGO INFORMATION

Frequently Asked Questions

- 1) log book has to be filled out in pen before driving car on public roads.
- 2) Anyone can drive car as long as they fill in the log book and sign it.
- 3) If you are out late driving and won't make it home before midnight, pull over at 11:55pm and fill in an entry for the next day.
- 4) Log book needs to be signed and stamped before the end of each membership/financial year by a SMASA Club Rego Officer.
- 5) Membership needs to be renewed before the end of each financial year.
- 6) A membership renewal form needs to be submitted every year.
- 7) Registration Details Certificate (Blue Rego papers) are only needed to be presented when first putting a vehicle on the scheme.
- 8) Inspection of car is not compulsory but SMASA can ask to inspect the car before accepting application.

Information:

Car can be driven interstate as long as log book is filled in.

You have 90 days to drive your car of your registration year. Not financial year.

Cars, Motorbikes, Trucks, Buses, Caravans, Trailers and tractors 30 years or older are eligible to go on the scheme.

If you have bought a eligible vehicle, get the club rego form (MR334) prior to putting vehicle in your name to avoid paying stamp duty.

SMASA Cruises and Pitstop

SMASA Pitstops have been growing in attendances moving to different locations thru the year. Affiliated clubs can use Pitstop to start their cruises or even finish there... SMASA cruises have been good with a lot of new members coming out. The atmosphere at events have been really good with a lot of nice classics and modified cars coming out. Also the SMASA members draw has been very good since we have been giving out a lot more prizes to our members. We average around 50 to 80 members participating in the member draw winning great prizes. Such as vouchers, t shirts, buckets and other great items.

Also take note that Cruises and Pitstops at the moment will not be held during COVID 19 iso.

COVID 19

I know that every one is sick of COVID 19 but it has effected the car scene as well. Due to social distancing car shows, cruises and meets have been cancelled. We were lucky to get a few events in before the restrictions so there are plenty of pics to drool over.

COVID 19 has also effected they way SMASA conducts club renewals, club rego and new memberships. If you have been emailed a renewal form that means that your membership and club rego are due for renewal. If you have not received an email you are all good. Just as a reminder I have included the renewal instruction sheet so please read the form. The instructions are easy to follow. All renewals must be completed prior to the end of the financial year.

There will be updates sent out when the club knows more.

IMPORTANT MESSAGE REGARDING CLUB MEMBERSHIP RENEWALS AND CLUB REGISTRATION DURING THE COVID-19 PANDEMIC. Last updated 23/04/2020

Due to government restrictions on gatherings and meetings SMASA are unable to process membership renewals and club registration(s) in the normal manner. After committee discussions and following advice from DPTI we will be doing the following for the **duration of the restrictions**, after which normal rules and processing will resume. The procedures are put in place to protect the health and safety of our volunteers and members by keeping contact to a minimum.

Please read the information below fully before asking questions.

Apologies if this does not suit your circumstance but this is the agreed and approved procedure during these unprecedented times:

New members with new club registrations.

During the period of the restrictions we will be allowed to process new registrations by post. The processing time will depend on Australia Post delivery and volunteer availability, it will incur an additional \$5 cost to cover **half** of the registered postage fees.

- Fill out the special COVID-19 SMASA membership form and email it to the covid19@smasa.com.au. Attach a photo of your face for your membership card. Attach a copy of your **Registration Details Certificate** for the vehicle(s) you want to add. Use the bank details on the membership form to make payment. We offer multiple year membership that is best to be aligned with your logbook. A new logbook last 3 years so if you pay 3 years, we will sign the log book off for 3 years. If you only pay 1 year you will need to arrange to get the log book back to us next year to be signed.
- If the car is in joint names the second owner needs to be an associate member which is \$20 per year.
- As we need to send the logbook via registered post there is a \$5 fee to cover this (this is half the regular registered postage cost). If paying multiple years, the postage fee is a once off not per year.

Renewing club membership and club registration.

- Renewals will be restricted to **ONLY 1 YEAR** this year, a special form will be emailed to renewing members.
- A membership form needs to be completed and sent via email to membership@smasa.com.au or post.
- Correct Membership and **Log Book fees** must be paid before the renewal will be processed. Log books fees are annual.
- Your logbook will not need to be updated **BUT YOU MUST** carry proof of membership with you or with your logbook. Proof can either be your membership card or a printed copy of the receipt you get via email.
- If your logbook's membership year section is full, but you have plenty of room to record vehicle trips you can continue to use it as long as you carry proof of current membership.
- If your logbook is full and needs to be replaced, please follow the new registration procedure above.
- If you want to add a new vehicle to club rego, please follow the new registration procedure above.

Current Members wishing to add a vehicle to club registration should follow the New Member procedure, explaining in the email that your membership is current.

On behalf of the SMASA Committee, Club Registration Team and Volunteers;

We thank you for your patience and understanding. Once government restrictions are relaxed or removed, we will advise members of any changes to the above procedures.

Cheers

Glenn Stankevicius
President

Due to COVID 19 renewals and Club Rego will be processed differently this year. Read the instructions on the sheet to the left carefully. If you are renewing membership only there is no need to fill out the club rego. If you are renewing membership and club rego you must complete both sections of the forms.

Also stay tuned when we can return to having SMASA cruises.

After the lock down there may be some sweet new cars at the cruises.

FAREWELL TO HOLDEN, FORD AND CHRYSLER AUSTRALIA CRUISE

In 2020 General Motors announced it would be the end of the Holden name and vehicles. Personally I think Holden died in 2017 when the Holden Elizabeth plant closed. With this announcement that meant that no Holden, Australian Ford or an Australian Chrysler were ever going to be produced in Australia again. Such a pity as Australia produced some great vehicles. The Holden Monaro and Torana Ford GTHO Phase 1,2, and 3s and of course the Chrysler Charger that was the fastest production car produced in its day. But alas those days are gone except for the die hard enthusiasts that have kept them on the street.

So to mark the end of an era SMASA invited all Holden, Ford and Chrysler owners to meet up for a cruise. The cruise was not only for those Marques but open to all. It was a great turn out and a tribute to the once great thriving motoring industry in Australia.

The one good thing is plenty of SMASA members have kept the big three still alive.

COFFEE N CHROME HOT ROD MEET

This was the second Coffee n Chrome for Hot Rods. This meet was also the first meet since the passing of founding member Bill. It was a sombre event but it was also a time to enjoy the event. It was Bill's vision to see car enthusiasts to gather together and enjoy each others company and cars.

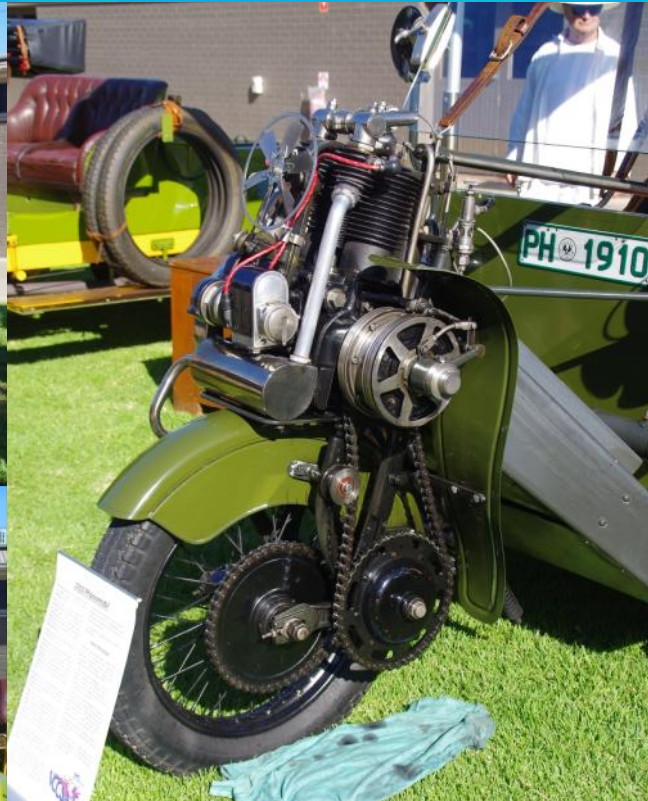

Not only was this meet full of Hot Rods but on the grass opposite were a group of vintage cars. One vintage car that was a centre of attraction was the green trike with the engine on the front wheel. All the other cars were very nice as well.

So if you missed this event the next few pages have a few pics for you to enjoy.

COFFEE N CHROME HOT ROD MEET

COFFEE N CHROME HOT ROD MEET

HOLDEN, CHEV CRUISE

HOLDEN, CHEV CRUISE

HOLDEN, CHEV CRUISE

The weather was fine and the at the time we were COVID 19 free. There was a great turnout of Holdens and Chevs at the annual cruise.

The car park was filling quickly and there was a great array of Holdens from all eras. And Chevs from all eras as well. After parking up and getting the camera it was time to check out the drives and it great to see lots of SMASA T shirts in the crowd.

The cars just kept on coming in and Holden and Chev fans could not get enough of them. There were stock drives, Aussie and US Muscle cars and some sweet modified ones and a few Hot Rods. Something for everyone. As always there were kids checking out the drives and I enjoy the way they get excited when they see something they really like. It was great that they respected the cars and just looked at them.

All in all it was a great meet and cruise so stay tuned and watch out for next years Holden and Chev Cruise 2021.
